

GIVINGTUESDAY

Like other organizations, SWEA Chicago had to cancel many of its events this year. While we all miss celebrating our Swedish traditions together, we have come up with new ways to see each other via Zoom and in small outdoor gatherings. We organized trips to the Chicago Botanic and Japanese Gardens, bike rides, quiz walks in the park and a Swedish book and film exchange, pumpkin carving and backyard movie night. With the uncertainty in the world and our only fundraiser being cancelled, please consider supporting SWEA Chicago by giving a donation on

DECEMBER 1

In the spirit of being more outdoorsy this year, our new Gold sponsor **Fjällräven** will be donating a **backpack** to the 6th and 13th person who contributes. These numbers symbolize Sweden's National Day on June 6 and our beautiful Lucia celebration on December 13.

No gift is too small and every dollar will help fulfill SWEA's mission to promote Swedish culture and tradition in Illinois through grants to individuals and organizations that share our values. Last year, our grant recipients were the Swedish American Museum, University of Illinois and Bishop Hill. You can read more about their initiatives by clicking [HERE](#).

GivingTuesday is a global generosity movement, unleashing the power of people and organizations to transform their communities and the world. (source: www.givingtuesday.org)
